Our Life Together

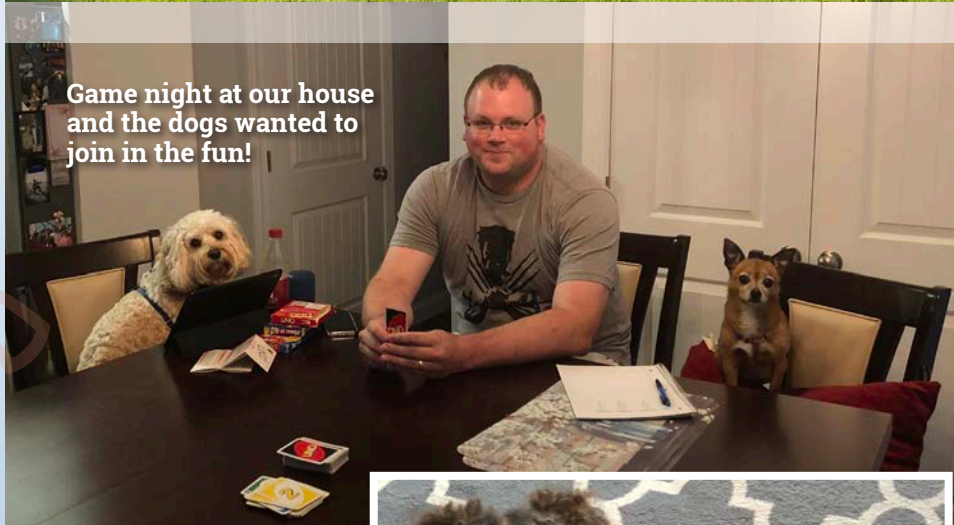

Our family Christmas picture!

Our forever home is also our happy place!

We absolutely adore our dogs Gunnar & Bella! Gunnar is a three-year-old cavapoo and Bella is a ten-year-old chihuahua. They love lots of treats and snuggles and have never met a stranger. We enjoy taking them on walks and playing catch.

Game night at our house and the dogs wanted to join in the fun!

Bella and our niece are best friends!

We love living in central North Carolina and finished building our forever home in 2018. We enjoy living in our small community and being able to take quick trips to the beach and mountains on the weekends. We especially love taking day trips to the beach!

Celebrating our wedding with all of our loved ones!

Santa stops here!

We love spending as much time with family as possible. Every year at Christmas Santa stops by our house to drop off gifts and spend time with our niece. We have had this tradition for four years and look forward to our future children getting to enjoy this!

We had so much fun being on vacation with our niece in the Painted Desert in Arizona.

Everyone loves the playground!

Meeting Donald Duck

We love going to theme parks and can't wait to take our child on great adventures!
